Metcalfe is still resolving their issues in regards to a new harness for the Metcalfe Arena. Once this is resolved, Rideau & Metcalfe will pursue the possibility of a joint venture in having a new harness installed at the Leitrim Arena.

RSC Board agreed to pay Andrew & Josée for one hour of ice time spent for the orientation training of PA's for the 2009/2010 season.

Brandi raised a concern with regards to the safety and right of way for both skaters and coaches on the ice. The Board agreed the Club will operate under the following rules:

- During Freeskate sessions - Skaters whose music is playing and they are in their solo have priority on the ice, but are expected to say "excuse me"
- During Dance/Skills sessions - Skaters in a lesson takes priority
- Any issues a coach has with a skater are to be addressed to the skater's coach and not directly to the skater unless there is an immediate safety issue.

The Club agreed to the purchase of a new video camera to be used by all coaches.
