New Date for Fun Day April 30, 2010: Not talk to city yet.

Date for Seminar : April 28<sup>th</sup> if hall available, Friday is preferred day of week.

Application of the 2 CanSkate requirement for long time staff coaches: Will deal with case by case.

Change of level definitions for the emptier sessions - in particular the Monday and Thursday early sessions: Ask coaches if they have any skaters want to move up, club will do a batch processing for exceptions.

Assessment of new skaters before they register - current policy on payment of ice, Skate Canada and coaches fees: \$38 + coaching ~\$50 non-refundable fee charged to parents

Off Ice sessions - encouraging participation by skaters: broadcast time change

Registrar's Report:

Denise

On-line registration worked very well for canSkate, especially for single session. Multi-session and parent+Tot session did not work as well which is something can seek improvement next season. StarSkate on-line registration is not as effective, there is not significant overall work load reduction. This is something should be re-evaluated next season.

Publicity Report:

Dan

3000 fliers hit 15-20 schools from JK to G3, and in school new letters. No newspaper ad this year. Road sign champion has been proven really effective.

Photo session: shop around for session targeted before Christmas

Other Business:

Peggy

Need new board members. Recruit parents from intermediate and junior level which are next up coming crowd of skaters
