

Three Medals from All-Ontarios for the Rideau Skating Club

Five Rideau skaters qualified in February to represent Eastern Ontario at last week's Trillium Starskate Championship, (All-Ontarios), held in Waterloo. These skaters had a very successful weekend and brought home three medals as well as a forth place finish. This is a tremendous accomplishment for our local club.

Evan Welchner, 12, placed third in Pre-Preliminary Mens Freeskate. Evan skated well and was very pleased with his result. Evan is coached by Jan Calnan at Rideau.

Lauren Welchner, 9, and Evan Welchner took Gold in Preliminary Dance, with a strong performance, paving the way for an Eastern Ontario sweep of the medals in this event. Lauren and Evan are coached by Darryl VanLuven for their dance.

Samantha Glavine, 9, and Andrew Wildey, 9, took silver in Junior Bronze Dance. They were very happy with their performance and the result. Samantha and Andrew are coached by Katrina Millard VanLuven and Darryl VanLuven.

Kailey Taplin, 12, and her partner Sam Lightstone, skating out of Goulbourn, finished forth in Introductory Pairs, rounding out a very strong performance by our Rideau skaters.
