ISU President

Dear Skating Friends,

As the newly elected president of the International Skating Union, I am delighted to extend a very warm welcome to all of you as we resume this North American ISU Adult Figure Skating Competition.

My heartfelt thanks goes out especially to the Local Organizing Committee and all the hard working volunteers as due to the global pandemic, this competition has been a few years in the planning. I would like to also thank Skate Canada and Skate Ontario for their support of this competition and adult figure skating in general.

Adult Figure Skaters are an important part of the ISU and we are pleased to financially support two competitions – one in North America and one in Oberstdorf, Germany.

I would like to wish all the Skaters a lot of success and I know you will have a wonderful competition in Ottawa.

Sincerely,

Présidente, Patinage Canada

Bienvenue à la Compétition de patinage artistique pour adultes 2022 de l'ISU! Patinage Canada est honoré d'accueillir, dans la capitale nationale, des patineurs adultes du monde entier, à l'occasion de cet événement fantastique.

La ville d'Ottawa a un long historique d'accueil d'événements de patinage, mais c'est la première fois que cet événement pour adultes s'y déroule.

Nous sommes ravis que nos partisans et notre communauté d'adultes puissent assister à cet événement en personne. Nous sommes inspirés par la passion et l'enthousiasme des plus de 175 concurrents adultes de douze pays, qui sont venus de près et de loin, pour patiner avec nous. Ces athlètes, âgés de 28 à 80 ans, représentent vraiment ce en quoi consiste le patinage pour tous.

En tant qu'organisation ayant à sa base des bénévoles, nous savons à quel point ceux-ci sont importants pour de tels événements. Je tiens à remercier tous les bénévoles de leur rôle, de leur participation et de leurs efforts à cet événement, qui assureront dans une large mesure qu'il sera exceptionnel. Grâce au comité organisateur, la tenue d'événements ne semble exiger aucun effort apparent, mais nous connaissons l'ampleur du travail dans les coulisses et vous remercions de votre dévouement.

Aux entraîneurs et aux officiels, merci du soutien continu que vous accordez à ces athlètes, alors qu'ils poursuivent leurs rêves, tout au long de leurs carrières de patineurs. Voir des patineurs de tout âge lacer leurs patins et s'élancer sur la glace prouve qu'il n'est jamais trop tard pour poursuivre sa passion.

Patinage Canada vous souhaite de tout cœur la bienvenue à Ottawa et à la Compétition de patinage artistique pour adultes 2022 de l'ISU et attend le plaisir d'être inspiré par votre joie de patiner!

Sincères salutations.

Welcome to the 2022 ISU Adult Figure Skating Competition! Skate Canada is honoured to host adult skaters from around the world in our nation's capital for this fantastic event.

Ottawa has a long history of hosting skating events, but this is the first time the city is hosting this adult event. We are thrilled that our fans and adult community will get to see this event in person. We are inspired by the passion and enthusiasm of the over 175 adult competitors from 12 countries who have travelled near and far to skate with us. With athletes ranging in age from 28 to 80 years old this is truly an example of skating for everyone.

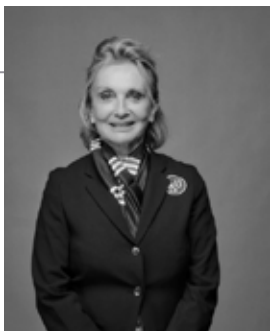

As an organization built on volunteers, we know how important they are to events like this. I would like to thank all the volunteers - your role, participation, and efforts in this event are a large part of ensuring it will be exceptional. To the organizing committee, you make these events seem effortless, but we know the work that happens behind the scenes, and we thank you for your dedication.

To the coaches and officials, thank you for your ongoing support of these athletes as they continue their dreams throughout the course of their skating careers. Seeing skaters of all ages lace up their skates and hit the ice proves that it is never too late to follow your passion.

Skate Canada welcomes you all whole-heartedly to Ottawa for the 2022 ISU Adult Figure Skating Competition and looks forward to being inspired by your joy of skating!

Warm Regards,

Karen Butcher

Maria Teresa Samaranch

ISU Council Representative for Adult Figure Skating

On behalf of the International Skating Union, I would like to extend my warm welcome to everyone attending the ISU Adult Figure Skating Competition in Ottawa, Canada.

I am so sorry I am not able to attend in person but I am so pleased that this competition has arrived at long last for all

those passionate adult figure skaters who have persevered and kept skating and training through the last few years.

As the new representative for adult figure skating on the ISU Council, I would also like to thank my predecessor, Marie Lundmark, who has just retired from the ISU Council. Marie was a big supporter of adult figure skating and will be missed by the Council and figure skaters throughout the world.

Events such as this don't happen without the dedication and commitment of many people and I want to recognize and thank the outstanding efforts of Jan Calnan, chair of the local organizing committee and her dedicated team of volunteers whose time, energy and effort has been outstanding.

My best compliments go also to the ISU Adult Figure Skating Group that has been continuously promoting adult figure skating worldwide. They are working together with the ISU to encourage ISU Members worldwide to support and develop adult figure skating. At the same time, this Group functions as a knowledgeable resource regarding the competition rules.

I wish all competitors the best of luck in presenting your programs and I wish all Officials a pleasant work. To all of you, I know you will have a wonderful time in Ottawa. I look forward to meeting many of you in the future.

Sincerely,

John Fisher

Chair, ISU Adult Figure Skating Group

It is a pleasure to welcome you to Ottawa for the ISU North American Adult Figure Skating Competition.

As you know, we had to postpone this competition many times due to the global pandemic. Our heartfelt thanks go out to the Local Organizing Committee, Skate Canada and Skate Ontario for all their hard work and dedication over the past few years and to ensuring this event would take place.

In addition to the LOC, we also want to recognize and thank the Officials and the many Volunteers whose hard work made this competition possible.

We know you will enjoy the days ahead – renewing old friendships and making new ones. We hope you continue to be an ambassador for adult figure skating so we can further engage and grow our global figure skating community.

We are grateful to the ISU for its continuing support of two adult figure skating competitions. The next ISU-supported competition is in Oberstdorf, Germany from May 15 – 20, 2023.

Each year the Adult Figure Skating Group prepares the ISU Adult Technical Announcement. We liaise with the ISU technical committees, judges and skaters. We invite you to send us your feedback as well.

On behalf of your adult figure skating group – Diana Barkley, Beth Delano, and Ville Penttinen – we wish all competitors the best of luck and have a great time in Ottawa.

Sincerely,
